Laredo is out of well-known herd sire Red Wrap, with outcross genetics on the dam's side. Dependable Laredo is long-bodied, multiple polled and sires calves that have excellent disposition, are low in birth weight, and high in performance. Laredo females particularly have been standing out with beautiful udder conformation. Laredo is the sire of DRT Mambo 32T, the 2007 Champion Junior Bull Calf at Canadian Western Agribition, retained by Lonesome Dove Ranch and Davidson Gelbvieh for use as a herd sire starting this past breeding season

We purchased Secret Weapon at Agribition in the fall of 2006. We used him in the spring of 2007 and are extremely pleased with the consistency and strength of breeding he has lent to all his offspring. A heifer sired by Secret Weapon will show at the NWSS in Denver, Colorado in early January 2009 and is sure to turn a few heads. A bull calf, DVE Davidson Powerhouse 13U acquired the "2008 Bull Calf Championship" at Farmfair International in Edmonton, Alberta and at that same show was honoured with The "Reserve Grand Champion Bull" award. Later that same month, November 2008, he once more won "Bull Calf Champion" and stood alongside his Dam when she was chosen "National Grand Champion Female" at the Canadian Western Agribition in Regina, Saskatchewan. He is our 2009 Bull Futurity entry for the National Gelbvieh Show to be held at the NWSS in Denver, Colorado in January 2009. **8 Secret Weapon sired 2009 sale bulls averaged 3.43 lbs per day on a 116-day test.**

He's sired by the late great Tequila bull, who was honored as 2004 Grand Champion at Farm Fair & Agribition; 2004 CGA Bull of the Year; and 2005 Supreme Interbreed Champion Bull at the PA Ag and Ex.
